

# AIGA TOLEDO DESIGN CHARRETTE APPLICATION

## ANNUAL GRAPHIC DESIGN NON-PROFIT GIVE AWAY

Following the success of AIGA Toledo's past design Charrettes in February 2009 for the Martin Luther King Kitchen for the Poor ([www.kitchenforthe poor.org](http://www.kitchenforthe poor.org)), SETT Toledo ([www.sett Toledo.com](http://www.sett Toledo.com)) in March 2010, and Claire's Day ([www.claresday.org](http://www.claresday.org)) last year, we are ramping up to do it all over again. Yup, 20 hand selected committed and caring members of the design community in partnership with Aly Sterling Philanthropy ([www.alysterling.com](http://www.alysterling.com)) will gather again in March to give back their time and talent to a Northwest Ohio organization in need. What is a Design Charrette you might ask: It is a focused eight hour time frame where 20 print and interactive designers and writers will come together to develop a complete identity system, website and collateral materials for a local non-profit organization. Currently we are accepting applications for the 2012 Charrette. If you would like to apply for consideration, please fill-out the form below and email your completed form to: Merrill Rainey, [merrillr@littlerainey.com](mailto:merrillr@littlerainey.com)

Only 501 c3 or similar non-profits are eligible to apply.
